Petite Chalet	\$90	Sleeps 16 on mattresses on floor	Environmental Toilet	Has a fireplace
Wohl Lodge	\$105	Sleeps 24 in bunk beds	Indoor Restroom	Has air conditioning in summer

Cabin Units

Cabin units have cots and mattress to sleep on, an environmental toilet in the unit, an outdoor fire pit for cooking, kitchen shelters with picnic tables and access to water from a frost-free water pump. There is no electricity, except where noted, in the cabin buildings. Cabin buildings sleep four to eight individuals, depending on the unit.

Unit Name	Fee	Capacity	Restroom Information	Additional Information
Border Village	\$70	Sleeps 20	Environmental Toilet	
Boulder Ledges	\$70	Sleeps 8	Environmental Toilet	
Cliff's End	\$70	Sleeps 12	Environmental Toilet	
Rocky Ledges	\$70	Sleeps 16	Environmental Toilet	electrical outlet

Tent Units

Tent units consist of a spacious structure with a hard-shingled roof, wood floor, canvas sides and four cots with mattresses inside. There is no electricity in the tent structures. Campers use an environmental toilet in the unit, an outdoor fire pit for cooking, kitchen shelters with picnic tables and access to water from a frost-free water pump. Tent structures sleep four to a tent.

Unit Name	Fee	Capacity	Restroom Information	Additional Information
Ahwenasa / Totem	\$60	Sleeps 20	Environmental Toilet	
Cypress Meadows	\$80	Sleeps 24	Accessible Environmental Toilet	1 accessible tent
Daisy Dell	\$60	Sleeps 18	Environmental Toilet	
Glen	\$80	Sleeps 36	Environmental Toilet	
Golden Glade	\$60	Sleeps 16	Environmental Toilet	
Kiamecia	\$80	Sleeps 40	Environmental Toilet	
Skyview	\$80	Sleeps 36	Environmental Toilet	
Tanda	\$80	Sleeps 36	Environmental Toilet	
Timber Trails	\$80	Sleeps 36	Environmental Toilet	

Primitive Camping Units

Like to pitch your own tent? How about sleep in a hammock in the trees? Try a primitive camping unit. All primitive camping units have use of an Environmental Toilet or latrine, a kitchen shelter with picnic tables, outdoor fire pit and access to water from a frost-free water pump. The fee for a primitive campsite is \$35. Troops can bring their own equipment or use equipment on site. Reserve in advance.

Unit Name	Fee	Capacity	Restroom Information	Additional Information
Conestoga	\$35	Sleeps 18		Hammock unit, water available at Golden Glade
Prim Lake	\$35	Sleeps 18		Water and E.T. at Cypress Meadows or Manor House (latrine)
Whispering Pines	\$35	Sleeps 18		

Day Outing Areas

Want to go out to camp just for the day? Try a Day Outing area. Day Outing shelters have access to a restroom (indoor or Environmental Toilet), a kitchen shelter with picnic tables, outdoor fire pit and access to water from a frost-free water pump. Reservations for Day Outings are free to Girl Scout Daisy troops and \$15 for all other troops. Need more information? Please contact Kathy Kahn at 314.592.2368 or kkahn@girlscoutsem.org
