

## CAMP FIDDLECREEK UNITS

### CAMP FIDDLECREEK

#### Lodge Units

All lodges have heat in the winter, electricity, a small kitchen with refrigerator and stove, outdoor fire pit and access to water both inside and outside the building.

Unit Name	Fee	Capacity	Restroom Information	Additional Information
Gaylord Lodge	\$105	Sleeps 36 on mattresses on floor	Indoor Restroom	Has a fireplace
Sequoia Lodge	\$105	Sleeps 24 on mattresses on floor	Indoor Restroom	Has a fireplace

#### Tent Units

Tent units consist of a spacious structure with a hard-shingled roof, wood floor, canvas sides and four cots with mattresses inside. There is no electricity in the tent structures. Campers use an environmental toilet in the unit, outdoor fire pit for cooking, kitchen shelters with picnic tables and access to water from a frost-free water pump. Tent structures sleep four to a tent.

Unit Name	Fee	Capacity	Restroom Information	Additional Information
Glen & Vale	\$60	Sleeps 16		
Happy Acres	\$60	Sleeps 20		
Hill & Dale	\$60	Sleeps 20		
Hilltop	\$60	Sleeps 16		
Pleasant Valley	\$60	Sleeps 20		
Ridgetop	\$60	Sleeps 16		

#### Primitive Camping Units

Like to pitch your own tent? How about sleep in a hammock in the trees? Try a primitive camping unit. All primitive camping units have use of an Environmental Toilet or latrine, a kitchen shelter with picnic tables, outdoor fire pit and access to water from a frost-free water pump. The fee for a primitive campsite is \$35.

#### Day Outing Areas

Want to go out to camp just for the day? Try a Day Outing area. Day Outing shelters have access to a restroom (indoor or Environmental Toilet), a kitchen shelter with picnic tables, outdoor fire pit and access to water from a frost-free water pump. Reservations for Day Outings are free. Just fill out the Application for Troop Camping At Council-Owned Camps and check "Day Outing" on the form.
