

2023-2024 Product Programs Rewards Opt-Out Girl Scout Agreement Form

Rewards Opt-Out Guidelines:

- This form can ONLY be used by Girl Scout Junior, Cadette, Senior and Ambassador troops choosing to opt-out of receiving rewards for the 2023-2024 Treats & Reads and Girl Scout Cookie Programs; Daisy & Brownie troops and multi-level troops outside of these levels are not eligible
- By completing this form, troops verify their choice to opt-out of receiving ALL rewards (with any exceptions noted on order card) and will instead receive additional proceeds
- Opting out of rewards must be a unanimous vote by members of the troop
- Please avoid pressuring Girl Scouts to vote the way you want; follow the process and respect those who still want the rewards
- All participating Girl Scouts MUST sign this form or submit their consent to the troop electronically
- The selection of opt-out rewards MUST be made by the Troop leader/Troop Treats & Reads Manager/Troop Cookie Manager by selecting “Rewards Opt Out” in M2 or “Opt out of rewards for additional proceeds” in eBudde prior to required deadlines or submission of troop product order. Once this is selected, the system will automatically generate additional proceeds
- Troop may choose to opt out for one program or both
- One opt-out form is sufficient for both programs and should be kept with the troop’s records. It’s recommended to share the signed form with troop parents/adults
