

Troop Round Up and Go Run Reimagined

Troop Round Up, an annual tradition at Girl Scouts of Eastern Missouri will not be an in-person event this fall. We are excited to announce **Troop Round Up Reimagined**, an epic, action-packed day of new experiences, interactive challenges and inspiring sessions to get minds and bodies working. Virtual STEM experiments, scavenger hunts, escape rooms, dance-offs, camp chats—hosted by very special guests, are but a few of the AWESOME activities! Conducted in real-time, Troop Round Up Reimagined promises to engage and inspire with age-appropriate programs for Girl Scout Daisies to Ambassadors.

Plans are underway for Girl Scouts Run for the Cookies! Even though the coronavirus pandemic has derailed many planned athletic events for our girls...the race will go on virtually with the **VR Girl Scouts Run for the Cookies Event**. Participants will have the opportunity to complete their runs over a 10-day period from November 20-30, 2020. New this year, will be an exclusive opportunity with CEO Bonnie Barczykowski, [an avid Girl Scout and marathoner!](#)

Details about both events will be announced in late August. At that time, troops will have the option of transferring their registration to Troop Round Up Reimagined or requesting a refund.

Nothing is more important than the health and safety of our girls, their families, our volunteers and staff. We closely monitored the evolving situation with the coronavirus outbreak to ensure we took every precaution to look after our Girl Scout family and community partners.

After careful consideration and reflection, we decided to change the format of Troop Round Up and Girl Scouts Go Run for the Cookies from large-scale, in-person events to incredible online experiences.

Troop Round Up Reimagined and Girl Scouts Go Run for the Cookies will deliver the fun, community and inspiration you have come to expect from Girl Scouts direct to you completely online for the first time ever.
