WELCOME! WE’RE EASTERN MISSOURI GIRL SCOUTS

LET’S SHARE, “The thing I am looking forward to the most with Girl Scouts is…”

“One thing I hope to do with Girl Scouts is…”
ACTIVITY: LET’S LEARN ABOUT CYBERSECURITY

Earning a cybersecurity badge allows girls of all ages to learn how computers communicate, learn how to protect their identities and private information, find out how to spot what’s real or fake online and explore cybercrimes.

Today, we will be focusing on gaining skills to become safe online and protect themselves and private information.
MATERIALS NEEDED

• Treasured item

• Small box (must fit treasured item)

• Wrapping material (tape, foil, string, fabric, crayons/markers, tape, scissors)
WHAT IT MEANS TO BE A GIRL SCOUT

Girl Scout Promise
On my honor, I will try:
To serve God and my country,
To help people at all times,
And to live by the Girl Scout Law.

Girl Scout Law
I will do my best to be
honest and fair,
friendly and helpful
considerate and caring,
courageous and strong, and
responsible for what I say and do,
and to
respect myself and others,
respect authority,
use resources wisely,
make the world a better place, and
be a sister to every Girl Scout.

GIRL SCOUT TROOPS

- Troops are created with five or more girls along with two unrelated adults (one of which is female)
- The adults must register and have had a current background check
- Troops can meet as often as they would like and at a location that works best
- Troops work on badges, patches and petals (for our Girl Scouts in K-1)
- Troops have a variety of ways to fund their Girl Scout experience including participation in our Product Programs, approved money-earning activities and collection of troop dues or donations
For more than 100 years, Girl Scouts of Eastern Missouri has been providing its young change-makers the tools and resources necessary for a lifetime of leadership and success.

**Younger Girls**
- Entrepreneurship: Count It Up; Talk It Up; Money Counts
- STEM: Cybersecurity Basics; Model Car Challenge
- Outdoors: Eco Learner

**Older Girls**
- Money Management: Financing My Future
- STEM: Coding Basics; Science Expert; Adventure

HIGH FIVE! YOU COMPLETED THE ACTIVITY!

LET’S SHARE, “What are some ways you protect yourself from getting wet when you go outside and it’s raining?”

“What are some ways you protect yourself from getting sunburn when you play outside?”

“What are some things you do to protect yourself when it’s cold outside?”

“What did you use to protect your treasure box?”

“Did you find more than one way to protect it?”
