

COVID-19 RESPONSE GUIDELINE UPDATES

2.11.2021

The below information was updated in the GSEM COVID-19 Response Guidelines dated 2.11.2021. The information below and the guidelines dated 2.11.2021 supersede all previous editions of the GSEM COVID-19 Response Guidelines.

Beginning on page 6 and throughout the publication – The maximum number of participants/attendees permitted for Girl Scout meetings, activities, small gatherings, programs and camps has been increased from 10 to 20. This includes girls, leaders, volunteers, staff, etc., and must include the proper girl-to-adult volunteer ratio. Parents/caregivers and other individuals not essential to meeting ratio and leading the meeting/activity should not be permitted to attend.

Page 13 – Unit capacities at camp have been updated to reflect the new 20-individual maximum while still meeting the established guidelines for overnight use.

The following units will operate under reduced capacities in order to meet the established guidelines.
