

COVID-19 RESPONSE GUIDELINE UPDATES

10.8.2020

The below information was updated in the GSEM COVID-19 Response Guidelines dated 10.8.2020. The information below and the guidelines dated 10.8.2020 supersede all previous editions of the GSEM COVID-19 Response Guidelines.

Pages 4, 5, 14, 22, and 26 – The below guideline was added regarding COVID-19 document retention:

All COVID-19-related documentation, such as (but not limited to) the Participant Screening Tools/Logs, should be securely retained for a minimum of 90 days after the Girl Scout activity for which they were completed. As always, troop leaders should retain annually a copy of the Girl Health History & Annual Permission Form, including the additional COVID-19 Girl Health History Addendum, for every girl in their troop.”

Page 34 – Shop and Emerson Resource Center (ERC) returns’ sanitization and quarantine procedures updated.

Shop: Returned product will be sanitized before being added to active inventory. Items that cannot be sanitized, such as clothing, will be quarantined for 72 hours before being added to active inventory.

ERC: All ERC resource/equipment returns will be sanitized before being added to inventory available for check-out. Items unable to be sanitized, such as fabric items, will be quarantined for 72 hours before being returned to inventory available for check-out.

Pages 45-50 – Note about COVID-19 document retention added to all COVID-19 forms.
