

# Mask Making Service Project

Across eastern Missouri, our Girl Scouts have proven that nothing can keep them from making the world a better place! We've teamed up with Cardinal Glennon Children's Hospital so our Girl Scouts can show their support during COVID-19 by making and donating masks for first responders and patients. Now through September 30, you can participate by mailing in your masks and including this form. Please fill out the following information:

1. Troop Leader or Parent/Guardian: \_\_\_\_\_
2. Troop Number: \_\_\_\_\_
3. Contact Email: \_\_\_\_\_
4. Girl Names: \_\_\_\_\_
5. Street Address: \_\_\_\_\_
6. City, State, Zip Code: \_\_\_\_\_
7. Number of Masks Made: \_\_\_\_\_
