

WOMEN'S LEADERSHIP NETWORK

Girl Scouts' Women's Leadership Network (WLN) brings women together in support of one another and to positively influence future women leaders—today's Girl Scouts.

In less than 3 years, the WLN has grown to more than 430 registered members and a mailing list of 700 who stay connected to Girl Scouts through publications, volunteer service and events.

2017-18 programming will again include a *Networking Reception* (November 2017), *Young Alumnae Mentor Breakfast* (JANUARY 2018), *Continue the Conversation* networking series (April 2018), and *Celebration Luncheon* (June 2018). Also, Girl Scouts will pilot a volunteer opportunity with our Community Troop Program, and launch a dedicated WLN eNewsletter to directly share opportunities for engagement, service, and support.

As an annual program sponsor your employees will enjoy many opportunities to connect with leaders of today and tomorrow, and your organization will receive visibility among hundreds of community influencers. All proceeds of your investment will support Girl Scouts' leadership development programs for girls.
