

# Wells Fargo Hands on Banking Patch Program

Girl Scouts of Eastern Missouri is excited to partner with Wells Fargo to offer the Hands on Banking Patch Program. Girls are extremely optimistic about their futures but admit to lacking the financial confidence and knowledge to achieve their dreams. Wells Fargo is focused on providing girls the resources to set goals and become financially responsible when earning and managing money. This exciting and inspiring patch program will be available for all grade levels and will include an educational online game approach for girls to become money savvy while having fun.
