By using a GSUSA ZOOM LICENSE with Facebook Live, staff acknowledge that they have reviewed and understood the Addendum, and that they agree to be bound legally by it and its terms and conditions.

Recording. Recording of online meetings set up using a GSUSA ZOOM LICENSE is NOT authorized except as set forth herein. Recording is subject to various legal requirements under U.S. law and the laws of various states, some of which require that all parties consent to such a recording. Authorized Users may show a recording on a Zoom meeting provided that your Council has obtained the necessary permissions and releases and has the right to use such recording in such manner. For example, if an Authorized User has a training video that you want to play at a Zoom staff meeting, and Council has all the necessary rights and consents to show such video, the video may be played on a Zoom meeting. You and your Council (or you and GSUSA for a GSUSA event) are solely responsible to obtain written consents from all participants that comply with all applicable laws.

You are responsible for Material posted by team participants, including review and approval of such Material. You will remove any Material that should not be posted. GSUSA is not responsible for the Material posted using a GSUSA ZOOM LICENSE Although GSUSA may from time to time monitor or review content and other matters relating to use of the ZOOM LICENSES, GSUSA is under no obligation to do so and assumes no responsibility or liability arising from Council’s or your use of the GSUSA ZOOM LICENSES.
