

Launch Into Girl Scouts

A monthly newsletter introducing you and your girl to the adventures that will await her as a Girl Scout Daisy! Our mission? Building girls of courage, confidence and character, who make the world a better place.

Recited at the beginning of each meeting to bring the girls together and refocus on what it means to be a Girl Scout!

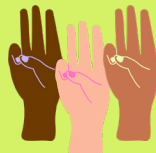

Girl Scout Promise

On my honor, I will try:
To serve God* and my country,
To help people at all times,
And to live by the Girl Scout Law.

**Members may substitute for the word God in accordance with their own spiritual beliefs.*

Girl Scout Law

I will do my best to be honest and fair, friendly and helpful, considerate and caring, courageous and strong, and responsible for what I say and do, and to respect myself and others, respect authority, use resources wisely, make the world a better place, and be a sister to every Girl Scout.

Monthly Highlight: Badges & Uniforms

Girl Scouts helps to develop future leaders by offering a wide variety of skill-building programming and curriculum in the categories of STEM, the Outdoors, Entrepreneurship and Life Skills. Each grade level has dozens of badge-earning opportunities to choose from—so whether your girl wants to try pitching a tent or learning how to code, Girl Scouts can support her passions!

Daisy Girl Scouts (Kindergarten and 1st grade) start by earning a special type of badge called Petals. Each Petal correlates with a line from the Girl Scout Law, so she can connect with our mission and learn what it truly means to be a Girl Scout. After completing them all, she will have a beautiful Daisy flower to display on her uniform, signifying her new skills. Once she's completed all her fun Daisy adventures and commemorated them with badges and patches on her blue uniform, she will start fresh with a Brownie uniform in 2nd grade—leaving all of her Daisy memories intact on her first one to look back at her achievements!

Earning badges and placing them on an official uniform is a great way for girls to explore their interests and show the world their accomplishments! But the best part of it all? That she will overcome challenges, conquer her fears, and learn-by-doing, all with forever friends by her side.

Learn-By-Doing Activity

Earn and Design Your Own Badge!

Start by grabbing some paper and scissors. Cut out a bunch of unique shapes like triangles, circles, or squares. When you've got all your shapes, arrange and rearrange them to create as many different robots as you can! *(Bonus: think about the differences in what each of your special robots can do!)*

Once complete, use your paper to cut out a circle and design your own Girl Scout badge! Draw a picture representing the activity you've just completed above.

Sing Along

Songs are a favorite Girl Scout pastime!

*Daisies have a disc of blue,
They are Girl Scouts and
brand new!*

*They are cute and they
are sweet,*

Daisy scouts are fun to meet!

Daisy Dare
