

Project Thank You

Help Girl Scouts of Eastern Missouri make a difference in our communities! Project Thank You, our product programs donation program, occurs each fall with Treats & Reads and in the winter/spring with the Girl Scout Cookie Program.

Customers can choose to donate product for \$6. For each donation, we will gift a nut/candy product or a package of cookies to our nonprofit partners. Partners include USO of Missouri, serving military personnel, veterans and their families; and Operation Food Search, a hunger relief organization.
