## My Rallyhood Dashboard

 View Demo

When you log into Rallyhood, you will see your Dashboard — also known as **My Rallyhood**.

Your **My Rallyhood Dashboard** is where all of your groups and their respective Hubs and Rallies come together in one place, making it easy to find the information relevant to you.

The **My Rallyhood Dashboard** is a personalized experience for every user. Each tile represents a Hub or Rally that you have been invited to or opted to join.

Each tile will display either the **“Hub”** icon or the **“Rally”** icon to give users an indication of what they will find when they click on the tile.

The **My Rallyhood Dashboard** can be customized by dragging and dropping Hubs and Rallies into an order to prioritize them in a way that suits individual needs.

## My Rallyhood Dashboard

 View Demo

At the top right of the Dashboard is “**Search Rallies**.”

- In this field, users can type in a keyword to search for Hubs and Rallies across the entire Rallyhood platform.
- Hubs and Rallies that are set to “Public” or “Private,” will show in the search results.
- However, if a Hub or Rally is set as “Unlisted,” it will not appear in the search results. In this case, a user would have to be explicitly invited by an Admin to join.

When the search results populate, users can look for the “**Hub**” icon and “**Rally**” icon in the bottom left corner to help with identification.

The tiles will also have one of the following icons in the top right corner to aid with identification:

-  Indicates that the Hub or Rally is Private
-  Indicates that the Hub or Rally is Public
-  Indicates that the user is a member of the Hub or Rally

Note that by clicking the “**Rallyhood Logo**” anywhere in the Rallyhood platform, you will return to **My Rallyhood Dashboard**.

## My Messages

 View Demo

“My Messages” in the user Dashboard, is an aggregated activity feed of all Message Wall posts across all the Hubs and Rallies in which the user is a member.

- From **My Messages**, clicking “**View More**” will expand the message if it is longer than the condensed viewing pane.
- Clicking anywhere on the message will redirect to the **Message Wall** of the Rally where the user can react to or interact with the message.

# Hub Environment

## Hub Overview

A “Hub” is a way for Admins to manage Rally groups and subgroups that relate to one another, under one umbrella.

On the Hub landing page, a user can see all of the Rallies that are a part of the respective Hub.

Hub Admins are typically an organizational leader or serve in a high-level volunteer position.

Members may be invited to Hubs by an Admin.

The screenshot shows the Rallyhood Hub landing page for the 'FOREST NORTH SERVICE UNIT'. The page features a large banner image of a park with trees and a bench. The title 'FOREST NORTH SERVICE UNIT' is prominently displayed in white text. Below the banner, a sub-header reads 'Forest North Service Unit / Community'. A sub-sub-header states 'Great things happen when we come together. Thanks for all you do to help make our community strong'. Below this, a navigation bar includes links for '7 RALLIES', '14 MEMBERS', 'CREATED OVER 2 YEARS AGO', and 'YOU HAVE RALLY ADMIN ACCESS'. A secondary navigation bar at the bottom includes 'GROUPS', 'MESSAGE WALL', 'CALENDAR', 'SPECIAL EVENTS', 'GALLERY', 'FILES', 'LINKS', 'SIGN-UPS', 'MEMBERS', 'PAYMENTS', and 'GIVE'. A search bar and a 'Create Rally' button are also present. COMMUNITY NEWS: Cape Henlopen Feedback?  
By Maria Schmidt  
May 17, 2021 7:53 PM

Hi GS friends,  
Has anyone been to Cape Henlopen? A Troop Leader from another SU who took her troop there and she said they had a great time, but I wanted to hear if anyone else had a similar experience or could share some tips. My Troop is considering a trip there next summer.

We are specifically interested in hearing about the following:

- How Close the cabins are to the beach
- Things to do
- How to make a reservation
- Who to contact

Thanks!
